Re: Request for Socioeconomic Impact Analysis

Dear Mr. Buzbee:

Trey
We have received your letter requesting that the Texas Water Development Board perform the socioeconomic impact analysis of not meeting water needs identified in the 2011 Brazos G Regional Water Plan. Please notify your regional project manager, Mr. Lann Bookout, when all Water User Group supplies to establish projected needs in your Region have been entered into the TWDB Regional Water Planning Database. Upon receipt of this notification and confirmation of completed data, TWDB staff will complete the analysis.

If you have further questions regarding this analysis, please contact Mr. Stuart Norvell, Manager of Water Uses and Projections, at (512) 463-7928.

Sincerely,

Carolyn L. Brittin
